Images must be representative of the works that will be shown at our Festival. Selection is based on quality and skill in workmanship, original and creative ideas and attractiveness of display. Artists can share a booth space as long as all art intended for sale and display is submitted for approval on one application. Artists will be notified as soon as the application has been reviewed by the Committee. Exhibiting artists must be at least 18 years of age.

### **Rules and Regulations**

An accepted application is a commitment to participate in the show. **NO REFUNDS** will be made for any reason, including inclement weather. Accepted artists must exhibit the full two (2) days of the show and be in their booths during designated festival hours. Booth sitters will be provided upon request.

Vendors bear the responsibility for all setup and security needs for their exhibits. The Festival does not require vendors to show proof of insurance; however, it is recommended that each vendor be covered under their own insurance. Please note vehicles are not allowed in the exhibit area during exhibition hours.
